ALL IN THE STATE OF MIND

If you think you are beaten, you are;
If you think you dare not, you don't,
If you like to win, and don't think you can,
It's almost a cinch you won't.

If you think you'll lose, you're lost,
For out in the world we find
Success begins with a fellow's will;
It's all in the state of mind.

Full many a race is lost
Ere even a step is run,
And many a coward fails
Ere even his work is begun.

Think big and your deeds will grow
Think small and you'll fall behind;
Think that you can and you will--
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise.
You've got to be sure of yourself before
You ever can win a prize.

Life's battles don't always go
To the stronger or faster man;
But, sooner or later, the man who wins
Is the fellow who thinks he can.

Military Servicemen Return

There's something about a soldier-- Sailors and Marines, too!! First-Lt. Jack Rafter and Captain Russell King, who are in command at Fort LeBouf, have received a leave-of-absence for this occasion. Edward Ames, of the Navy Band; Corporal Robert Wilmire, of the U. S. Marines; and Lt. Arthur Ahrens, of the Army Air Corps, send regrets because of their inability to attend.

D., Psycho-Neurologist at John Hopkin's Hospital; Bettie Kellogg, Comptometer Operator in Washington, D. C.; and Ross Hewitt, Park's Director in Ontario, Canada, telegraphed greetings...Edgar Goddard, of Montgomery Ward, has created quite a sensation as Fashion Stylist... Have you noticed the display of rare flowers in William Marinelli's Florist Shoppe?...Ethel Hunt is Office Manager at the Pittsburgh Y. W. C. A...Comedian Bob Rouse is rapidly forging ahead on the road to fame...Owing to her "gift of gab" and the shortage of salesmen, Joanne Videtto is now making her fortune as a Fuller Brush woman...The former Marjorie Sherwood is happily married and has brought her five year old daughter with her...Lucille Montgomery is now Head Dietitian in the Hamot Hospital...Watch for Ken Garthwaite's comic stip in the next issue.

Confidence in *Your* Future

Dear Seniors of 1942:

You are leaving the halls of learning to face a world which is, to say the least, not normal. But have courage! Your achievements in reaching the Senior class and your diplomas are your first steps in the development of Confidence.

Now is the time for Confidence. Confidence in the heart and mind of each individual, young or old. That spirit pushes its way through family groups, municipal governments, state governments, and finally, up through the closely knit Unity that is America.

It is necessary, therefore, that each individual, especially you Seniors coming from our high schools, face the situation with a clear eye, with that courage and will to do all that is right to preserve the American Way of Life.

Let us look upon these days with open minds. You, who in your Chemistry classes, looked upon the experiment in the crucible with interest and intelligence, quickly learned that, having completed the right procedure, your result would be right. So it is in today's living. Go into business and industry with a will. Keep your feet on the ground, and above all, remember . . .

It is from the valleys that we gain our courage; from the hills, our strength.

Good luck and keep your chin up.

Sincerely yours,

Vice President

AMONG OUR MEMORIES

How time has flown! There was a time when Jean Forsyth spent a glorious week-end at Penn State--playing cards. Art Freeland went to All-State Band and had a wonderful time playing the trumpet. Any similarity is purely coincidental. Max Corzilius taught all the girls to play Squidgel; and Bob Wilmier gave lessons, too. Frank Dean chased Bettie Kellogg through the halls. Isn't tag fun? And Peg Bunny was outstanding for her basketball activities! Remember?

It was not so long ago that May Seitzinger adored Earl Goodling and Doris Beeland was famous for her twelve year crush on Tommy Hughes. Albert Johnson, spreading his charms around because of the shortage of men, gave his heart to Francis Reynolds along with his L. P. H. S. pin; on the same night he broke a date with Mary Jane Heininger, asked Peg Bunny, and ended up with censored--all for the same basketball game. Andy fought with Rita Bole during the French class about Algebra, and then made up at Pete's drinking, dancing, and making merry. Kathryn Dunlap went to, all the basketball games and yelled Carl! Carl! Marion Metcalf spent all her time writing letters and saved stamps by delivering them personally to Tommy. Ethel Hunt realized the advantages of living in New Colony when Edger Goddard started to walk her home from school. How could you forget?

Remember the year all the housewives coaxed Bob Wachter, le premier chef, for his recipe for corn muffins. Mary Sebell had her first date. Arthur Hannah failed his naval examinations when his blood pressure rose to astounding degrees. He was thinking about his "wives". Ross Hewitt began his career as a stagehand when he fell through ice and his clothes froze on him. He felt that a stage career was so much safer than an ice-skating career. Clifford Guckes could out-talk the teacher in bookkeeping class. Marjorie Sherwood had the picture she drew of Clark Gable autographed by him. Ken Garthwaite received his first track medal and first pay check. That was the fine, foggy Friday!

And once Dick Book stayed up all night asking:

Why don't they

install a soda fountain in the Algebra room?

have bell hops to carry our books?

have elevators to save the wear and tear on shoe leather?

let the upper classmen have the afternoons off when the weather is good,

or the Columbia has a stage show?

graduate all seniors?

let boys go to Mercyhurst?

Prindle began to jerk sodas for a living and to "represent" all the cracks his customers made. John O'Neil was interested in out-of-town affairs. Esther Mitchell created quite a sensation on her first day of school, but Norman Miller's line failed him. Could you forget?

Remember the time Miss McBride gave a farewell party for Lucille Montgomery? When Jack Hillegas saw the refreshments, he was determined to take geometry. Rita Bole rolled 49 and down the alley, too, on the first day she bowled. At Edinboro Edward Ames ripped his trousers just before his appearance with the All-County Band.

Clyde Barnes made quite a hit with his first butcher boy haircut. (In other days we'd call it a Nazi Haircut.) Bookkeeping classes really put him out. Jim Burick made wise use of his leisure time; it was really Benificial! Bashful Tom Hughes came out of his shell and earned the nickname "Hugs." Arthur Ahrens received a medal in the first track meet he was in. And Florence Bracalento talked for almost five minutes at one spell! Wonder of all wonders.---

Will you ever forget the day Bob Rouse played Tarzan down by the Elbow Tree--or maybe he was just practicing his mating call. Neil French agreed with Mr. Lenders. Milly Hines began sporting two class rings. Dorothy Craig bewled Jean Forsyth out for putting too much glue on the pictures. Bill Marinelli won his first letter in football at about the same time Jack Rafter was a super-deluxe waterboy. Betty Jane Clark came to school on time upsetting all the rules of the South. Peg Korn and Gladys Keppel went Christmas shopping and Gladys drove. They're still safe!

Remember how Blondie used to take long walks when she was Moody. Harry Parker followed Ada around the school just to see that she wasn't lost. Anna Clint started school in this thriving little town just to get out of the country. Russell King used to dream in English class--about his experiences as a telephone technician. Bill Jones used to express his Socialistic tendencies during Forum periods.

We'll never forget these things and a thousand things more that happened during these twelve years. And now, Joanne Videtto can peaceably forget all about cigars, cemeteries, and chairs.

BOYS' INTRAMURAL SPORTS

This year the Boys' Intramurals were a greater success than previous years. With a wider range of sports there was something to do all year round.

The home rooms are divided into two groups; 10, 11, 12, grades in the senior league, and 7, 8, 9, grades in the junior league. Home room captains were elected.

Football was the opener with room 111-112 winning. Cross country soon followed. Bill Kuhlman ran the fastest in the senior league and Ralph Hoooven out-distanced the others in the junior league.

Basketball, ice hockey, volleyball, ping pong, wrestling, and many other sports continued through out the year.

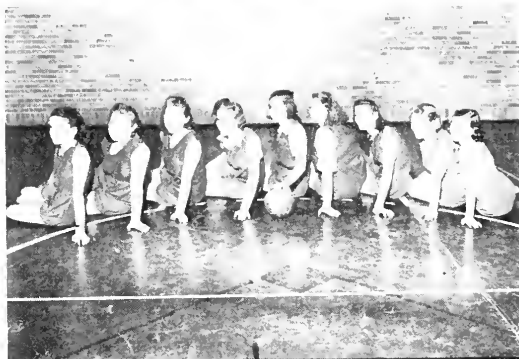

The homeroom captains are: Ken Garthwaite, Bob Wilmler, Jerry Wright, Charles Moody, Harold Bergstrom, Robert Miller, John Morrison, George Hammerbeck, Jack King, Richard Grieb, Michael McHugh, and Andrew Samsel.

GIRLS' INTRAMURAL SPORTS

Intramural sports started out this year with each homeroom selecting a captain who took charge of all the activities which have taken place during the course of the year. The season started with volleyball, basketball, and included bowling, badminton and table tennis. As a finale, many girls participated in the gym exhibition held in May.

HOMEROOM CAPTAINS

Jean Forsyth, Marion Metcalf, Dorothy Waechter, Mary Bracalento, Helen Royall, Lillian Dunst, Wilma Fox, Ada Gest, Lorraine Poulson, Luceda Gibbs, Catherine Heininger, Lucille Wachter.

BASKETBALL

Lawrence Park turned out a powerful basketball team for the 1941-1942 season. Always in the lead or close behind the Millcreek Trojans, the Tigers ended with only one defeat for the season.

In the Round Robin play-offs Lawrence Park again met it's strong rival, Millcreek. After a nip and tuck battle the game ended with the score-Millcreek 32; Lawrence Park 27.

The lettermen this year are Chuck Woody, Dave Bock, Dick Bock, Lester Patmore, Fred Raven, Jerry Wright, and Bernard Disco. Six of the lettermen will be back next year.

Lester Patmore won a berth on the All-County team and Chuck Woody, Fred Raven and Jerry Wright played on the All-Star Game.

FOOTBALL

The call for candidates for the 1941 football season was answered by thirty stalwart, ambitious gridgers, each interested in securing a berth on the first eleven.

Mr. Yost, a graduate of Penn State, coached a successful team. Mr. Anderson, our former coach, went to Alabama to further his education.

Having lost only two games by a total of five points, the entire season was very successful. A triumph over Wesleyville 12-0, thanks to Lester Patmore, made the year especially bright.

TRACK, 1941

Lawrence Park began its 1941 track season under the eagle eye of Mr. Dingle. Warm-up meets with Tech and Academy proved once again the strength of the well-balanced squad, and loyal followers saw prospects of another District 10 Championship.

Gaining form rapidly, the Parkers swept to victory over teams from East and Vincent, losing only to Alliance Junior College in a hard fought duel meet at Cambridge Springs.

Then came May 17, the long awaited date of the District 10 Track Championship. Into the Erie Stadium strode Sharpsville, our down-state rival and top-heavy favorite, to dethrone the Tiger champs.

Soon the starter's gun barked and the meet was under way! A nip and tuck battle followed with final outcome remaining in doubt until the last runner had crossed the finish line and the last javelin had buried its point in the earth.

Final Score: Lawrence Park 93½; Sharpsville, 90. The Parkers had won again! This victory marked the fourth District 10 Championship in the history of our school.

TRACK

Captain Eddie Meloney, veteran, track star of the Tigers, reached the peak of his athletic career in the District 10 Championships.

Brilliant victories in the dash events and low hurdles earned Eddie three District 10 titles and the award honoring "The Outstanding Track Man of 1941".

THE LAWRENCE PARK HIGH SCHOOL BAND

This year the band has had a most successful season. Attired in their fine uniforms, the band has contributed much to the community by playing concerts and marching in parades. Our band also presented programs at Harborscreek; at Edinboro, for the County Music Festival; and at the Forensic Contests.

Many are the days that the band and their director, Mr. Howard J. Schilken, may be found at 7:30 practicing for a forthcoming program.

Much credit is due the director, Mr. Schilken, and also the Parent Music Club, who made it possible for the band to have the uniforms and the fine instrumentation that made it the success it has been this year.

Lawrence Park has the only completely instrumented orchestra in the county, and we are rightly proud of it. The orchestra played concerts by itself, and also has played in the pit for plays and other activities carried on in our auditorium. The orchestra is competing at Edinboro in the district forensic.

Within the orchestra are found many fine soloists and ensemble groups in almost every section.

Much credit for the success of the orchestra, as well as the band, goes to its director, Mr. Howard J. Schilken.

THE NATIONAL HONOR SOCIETY

The National Honor Society is an organization established for students creating an enthusiasm for scholarship and a rendering of service to the community and school. Since only 8% of a class may be elected in the Junior year and 15% in the Senior year, membership is a great honor. The members from the upper third of the class are elected for scholarship, leadership, character, and service. In the class of 1942, Ethel Hunt, Gladys Kappel, and Andrew Mephram were elected in their Junior year. The new members this year include: Robert Wachter, Edgar Goddard, Marion Metcalf, Joanne Videtto, and Marjorie Durand. The members from the Junior class are: Jean Hartley, Ada Gest, James McKenzie, and Richard Gill.

HONOR ROLL

Since the adoption of the scholarship quotient system for the honor roll, more of our students are attaining this honor. This year more of our students than ever before have appeared on this list; and for the first time in our history, several of our students have had an A average in all their subjects.

SENIOR PLAY

The outstanding dramatic event of the year was the senior play, "Three Months to Live." The plot centered around a young millionaire who had only three months to live. His experiences on a rude ranch made the play hilarious. Those of the cast were: Jean Forsyth, Joanne Videtto, Russell King, Gladys Kappel, Robert Wachter, Lucille Montgomery Don Prindle, Neil French, Anna Clint, James Burick, Marion Metcalf, Harry Barker, Edgar Goddard. The play was directed by Mrs. Jessie Lynn Kennedy Skala.

DEBATING

This year the debating squad was under the direction of Miss McBride who had charge of delivery and Mr. Landers who had charge of the contents of the speeches. The topic of discussion was: Resolved: "That, as a permanent policy, every able-bodied male citizen should be required to have one year of full time military training before attaining the present draft age."

During the course of the debating season, the Senior teams, consisting of Joanne Videtto, Gladys Kappel, Marjorie Durand, Marion Metcalf, Rita Bole, Robert Wachter, and Andrew Mephram, debated Harborscreek, Wesleyville, Girard, Albion, Northeast, Millcreek, Strong Vincent, Adademy, and East.

The members of the Junior debating team are: Bob Ryan, Dick Gill, Edward Anderson, Elmer McKay, and Tom Gill. They also participated in a number of debates.

CHEERLEADERS

The prestige of the cheerleaders reached a new peak this year. They are extremely proud of the fact that members of their squad have been present at every basketball and football game of the 1941-42 season. The popularity of cheerleading was evident because of the fact that eighty-two students tried for a place on the cheerleading squad. From those were picked three girls; namely--Luceda Gibbs, Marion Rettew, and Dolores Starks. These girls will be considered as a nucleus around which future cheerleading squads will be built.

The girls were especially attractive this year in snappy outfits of blue and white, topped off with white cadet boots. The constant practice and serious effort of the cheerleaders resulted in many novel cheers and much vim and vigor at all games. The members of the regular squad are: Gay McClaren, Marion Metcalf, Margaret McHugh, Ada Gest, Marion Herman, and Helen Royell.

The girls elected Marion Metcalf to be their captain. The squad is under the supervision of Mrs. Helen Arnold.

LEADERS' CLUB

The Girls' Leadership Club was formed by Miss Templeton for the purpose of promoting sportsmanship, leadership, and developing character. During the course of the year, the club has sponsored a Basketball Playday and other social activities, as well as managing the intramural sports.

The following officers were elected: Jeanne Forsyth, President; Margaret Bunny, Vice President; Gladys Kappel, Secretary; and Margaret Korn, Treasurer.

FRENCH CLUB

The French Club had as its sponsor this year, Miss McClintock. The first meeting was spent in planning the initiation for the only candidate, Fred Raven. His initiation was followed by a weiner roast and dance. Just before vacation the French Club had its Christmas Party with food, gifts, and dancing. The second semester activities were the initiation of Lucille Montgomery into the organization and an Easter Party.

PATROL

The Lawrence Park High School Safety Patrol continued to maintain its perfect record in the fifteenth year of operation. This year we were supplemented with many new patrol men who worked hard to uphold this enviable record. The Safety Patrol, aside from the daily traffic duty, supervised the parking of cars for activities in our school. It also took over this responsibility at Strong Vincent for the County Teachers' Institute.

STUDENT LIBRARIANS

At the beginning of the school year, a new instruction class was organized under the guidance of Miss McClintock, our librarian. This class is called Library Science and is organized and practiced as a regular business profession. The students are considered apprentices. Promotions are made as the ability of the student improves. At the end of the year certificates of merit are given to show the student's rating. The highest position is that of Assistant Librarian.

The work of this class deals with the duties that must be done to keep the library functioning. The Student Librarians learn the fundamentals of library work. Some of these duties are: learning how to date the books going out of the library, how to file the cards, how to take care of fines, how to arrange the fiction and non-fiction books on the shelves, how to prepare new books and magazines for the shelf and magazine rack, and countless other duties that a librarian must do to keep the library in ship-shape order.

Not all the girls' time is spent in working, for they have had several parties throughout the year.

OFFICE MONITORS

A group of faithful students devote one period each day for service to the office personnel, carrying messages and delivering the absentee slips. The monitors, appointed by Mr. Skala, are: Reginald Hoffman, Jack Hillegas, Jeanne Forsyth, Peggy Bunny, Roger Bushnell, Peggy Korn, and Dorothy Craig. The attendance monitors are: Ethel Hunt, Mary Sebell, Mildred Hines, and Marjorie Sherwood.

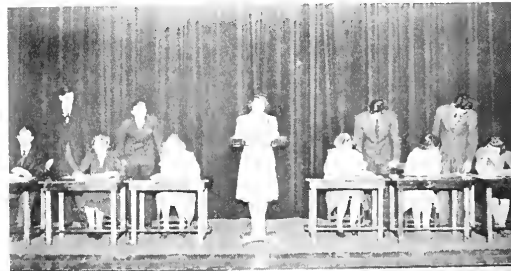

USHERS

The ushering squad aids with the many duties always present at school functions. These include such tasks as showing visitors about our school and seating guests in the auditorium. The ushers are always to be seen with a smile and a helping hand.

FORUM COMMITTEE

At the President's request, a series of five forums on the topic, "What the War Means to Us" was held for the tenth, eleventh, and twelfth grades. The Senior Problems class, guided by Mr. Landers, conducted these forums. Other forums were held to discuss the war and post-war activities.

STAGEHANDS

The stage hands this year, under the careful supervision of Mr. Rhodes, handled the stage and stage property very successfully. The boys in the white coveralls are Ross Hewitt, Bill Kuhlman, and Albert Beute.

CHRISTMAS PLAY

The Speech Class' Christmas play was "Pop Reads the Christmas Carol." Joanne Videtto was the student director and Mrs. Skala was faculty director. The cast included: Elmer McKay, Jean Forsyth, DeMara Hewitt, Betty J. Clark, Robert Wichter, Marion Metcalf, and Dick Gill.

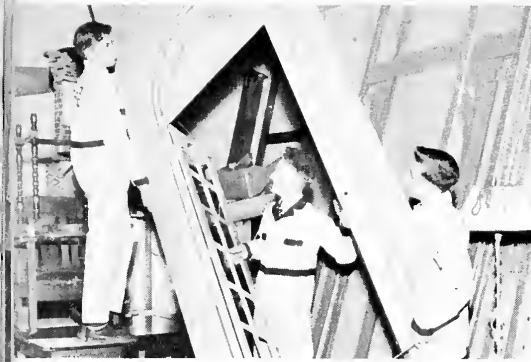

STUDENT SECRETARIES

Each year several of the Senior Commercial students are selected to act as secretaries for the teachers. They mimeograph papers, type, and perform many other secretarial duties. The students gain much valuable experience. Those chosen by Miss Griffith are: Ethel Hunt, Gladys Kappel, Doris Beanland, May Seitzinger, Florence Bracalento, Mildred Hines, Peggy Bunny, Kathryn Dunlap, Marjorie Sherwood, Peggy Korn, Ross Hewitt, Mary Sebell, Bob Wilmler, and Marion Metcalf.

PALMER'S

GLEE CLUB

The bell rang for fifth period Friday. We girls were tired. Five full days of slaving away--we're ready for some enjoyment. In the auditorium some early girls were arranging the piano and passing out the books. Ah! just what we needed; we all felt better and even while we were discussing last minute details about so-and-so's hair do and such-and-such's pet slang word, we were all trying to think which we preferred--Camptown Races or Over There. Doris Dingman firmly stood up for the former, while a few of us tried to persuade everyone that we should sing the latter. If you listened hard enough, you could hear Ruby rising above it all, but with your hands over your ears you could hear the Freshman tune up. When our able instructress, Mrs. Skala, arrived we all loosened our belts, untied our shoe strings, and sang! When seventy-eight warblers get together, especially our seventy-eight, the result is perfect harmony or, anyway, fun. Then suddenly the bell rang and we had to change classes, but we had the consolation that the slightly varied song system would go on next Monday at the same time. Rita Aiton and Donna Cameron were the club's efficient librarians.

FORENSIC CONTEST

In this year's Music and Forensic Contest many of our entries won the highest awards. Two members of our affirmative team, Joanne Videtto and Gladys Kappel, defeated the Girard negative team and as a result representatives of both our teams meet Sharon in the district meet. Robert Ryan and Margaret Korn participated in declamation and poetry, respectively.
